Subject: Thank You

Team,

I wanted to thank you for the Christmas gift which will definitely come in handy.

I am sorry that I had to leave early for my conference call but it was great to see everyone one last time as the Philadelphia market. It has been great having such a great group of people. I am very proud of our accomplishments especially what you did in 2003 as we became the number 1 market.

Congratulations to Dan on his new role and also to his acute care team. I look forward to seeing his team as well as my new LTC team on stage at the 2006 national sales meeting.

Happy Holidays,

Ken
